LORNA G. SCHOFIELD, District Judge:

WHEREAS, on May 10, 2023, a pre-motion conference was held to discuss Defendants' proposed motion to dismiss. For the reasons discussed at the conference, it is hereby

ORDERED that, by **May 24, 2023**, Plaintiffs shall file a First Amended Complaint ("FAC"), with particular attention to the demands for declaratory and injunctive relief, the allegation of state action, the unserved student Defendants, the particular Defendants alleged to be liable on each claim, and the negligent hiring, training and supervision claim.

ORDERED that Defendants shall file an answer to the FAC and, by **May 31, 2023**, shall file a letter proposing a date by which they will do so. The letter shall state whether Defendants intend to file a motion for judgment on the pleadings under Federal Rule of Civil Procedure 12(c) in lieu of the proposed motion to dismiss. Should Defendants determine not to file such a motion, the filing of an answer shall be without prejudice to any argument at the conclusion of discovery about the insufficiency of the FAC. Should Defendants determine to file such a motion, the letter shall include a jointly proposed briefing schedule.
